Other courses to be authorized		

Please see the tentative Schedule of Classes at www.sba.pdx.edu, (News & Events), or see the MBA Elective Planner at www.sba.pdx.edu, (Degree Programs, SBA Graduate Programs, scroll down on right hand side) for terms and day/time information.

Total Core Credits Completed: _____

Total Elective Credits Completed: _____

Number of Hours Waived: _____

Number of Hours Transferred: _____

Total number of MBA Credits Required (including waivers & transfers): _____

Note: Courses with a 507 designation are special topic seminars. Courses with a “T” designation are for existing courses that will be focused on MIT issues and cases during a specific term. Courses without either designation are courses in the current MBA or Engineering Management catalogs.

A maximum of 8 credits of electives may be “*slash*” credits (400/500 level coursework taken for graduate credit). A *slash* class is listed in the Schedule with the letter “S” at the end of the course number (ex. Mgmt 510S). **Students** are responsible for tracking and limiting their *slash* credits.

MBA-MIT option “tentative” schedule. Please check the schedule on our website for more current information.
